- Operating Systems: Windows, Linux.
- Database: MySQL
- Microsoft Office: MS Word, MS Excel, PowerPoint, Outlook

Soft Skills:

- Time Management
- Team Work
- Problem Solving
- Communication

Academic Project:

- **Hospital Management System -** 03/2025 to 05/2023

  Language: **HTML, CSS, JAVA, MYSQL(DATABASE).**

  Description: A Java-based application for managing patient records, appointments, billing, and doctor information. Implemented using Java Swing for the GUI and MySQL for data storage. The system includes modules for patient registration, appointment scheduling, billing, and user authentication. This project demonstrates proficiency in Java, database management, and GUI development, and aims to improve efficiency and patient care in a healthcare setting.

Extra Curricular Activities:

- First Position in Inter-School Volleyball Tournament in 2018
- First Position in College Cricket Tournament in 2020
